WORK EXPERIENCE

April 2022 - present

UX Design Specialist

SAP Labs

Bangalore

I am a team member from Digital Supply Chain

Solving UI problems with amazing team of Enterprise Asset Management. My contribution till now:

- Maintenance Management
- Digital Threads

May 2020 - April 2022

UX Designer

US Tech Solutions (Cerner | contract)

Bangalore

Working in the vertical 'order and clinical management' and solving issues of **50+ client members** for their **100 million patients**. My responsibilities are:

- Validations of the screens for the **accessibility** issues
- Gathering requirements through the clients from the **global market (US, Europe)** and following Cerner's user-centred design process to create solution and UI

June 2019 - Jan 2020

Associate UX Designer

Informatica

Bangalore

- **Quality Assurance** issues in the UI for the Data governance tool called Axon.

Nov 2018 - June 2019

UX & UI Designer

Netcore Solutions pvt lmted

Mumbai

- Solved the issues of digital marketers by giving a solution that impacted **5000+ Enterprise customers**. Conducted the '**design sprint**' to **redesign** of the 'email campaign' module of 'Smartech'. I was responsible for **user research, customer journey mapping, Information Architecture, wire-frames, user testing** and the **design system**
- Reorganized the **UI of 'Web-messages'** using netcore's design system.
- Successfully deployed **90+ templates** for web-messages.

July 2015 - July 2016

Associate Software Developer (SAP ABAP)

Accenture services private limited

Mumbai

EDUCATION

July 2016 - June 2018

Master of Design at

Centre for Product Design and Manufacturing,
Indian Institute of Science, Bangalore

August 2011 - June 2015
